# Classic Japanese Show Shine 2008

Sunday 5th OCTOBER 2008  
Bald Hills Flats Pine River Park Strathpine

Dear Japanese Car Club / Motoring enthusiast,

The Third Classic Japanese Show and Shine is now open for entries. Last year saw 164 vehicles gather on the 14th October 2007, even after re-scheduling due to wet weather. with some very spectacular and well presented vehicles. Including micro cars, the oldest was 1961 to the youngest 2004. With inter-state entrants as well

For more than 50 years the Japanese automobile industry have designed and built motor vehicles that have graced our roads and had a huge effect on the Australian economy and our every day lifestyle.

The Japanese motor vehicles have also had a huge impact on the automobile industries of the world. The car of the 60's, 70's and 80's and 90's and even right up to the present day have been in the forefront of design, innovation and technology.

Queensland was the first state to ever hold a car display dedicated solely to these Classic Japanese Cars in 2006 and on the 5th October 2008 at the Bald Hills Flats at the Pine River Park at Strathpine (same location as 2006 and 2007) we will see the third Classic Japanese Show and Shine presented by the Z Car Club of Queensland Inc.

2008 will also have other clubs / groups on the organizing committee. QPDG, 7 of Clubs, Rising Sun

Whilst entry is open to all Japanese motor vehicles, the attention is naturally being focused on, Classic Japanese cars bikes and all sorts of transport not seen on our roads in an everyday situation. .Later models from 1990 to today are also welcome

The Z Car Club of Queensland Inc.'s nominated Charity is Angel Flight Australia, which co-ordinate financially needy patients and their carers to fly free of charge to medical facilities anywhere in Australia. This charity will be the major beneficiary of the Show and Shine.

A large area at the Bald Hills Flats will be used for the static car display. Entry to the Pine River Park is at the intersection of Gympie Road and Kremzow Road UBD Map 109 Ref B2
